Build the House of Allah in Loganville: A Home for Faith, Worship, and Community

For too long, the Muslims of Loganville and the surrounding Walton County area have lacked a dedicated, purpose-built space to gather, pray, and learn. What started as a small community has blossomed into a vibrant, diverse family of believers. Today, we are answering the call to build a permanent home at **883 Lee Byrd Rd**—a 19,683 square foot facility designed to serve the spiritual and educational needs of our children and families for generations to come.

Why This Project Matters

This is not just a construction project; it is an investment in the future of our Deen in Loganville. Our current facilities are stretched to capacity. We envision a center that serves as a beacon of light in our community, featuring:

A Spacious Masjid: A clean, welcoming space for the five daily prayers, Jummah, and Taraweeh.

A Learning Center: Dedicated classrooms for Quran, Tajweed, and Islamic Studies. Evening and weekend classes for children and adults.

A Community Hub: A place for youth activities, family nights, and outreach programs that foster unity and understanding.

The Challenge & The Opportunity

Building a 19,683 sq. ft. facility requires significant resources. We have the land and the vision, but we need your help to make this vision a reality. Every dollar raised goes directly toward construction costs, permits, and the essential infrastructure needed to open our doors. We are not just building walls; we are building a foundation for the next generation of Muslims in Georgia.

Your Impact (Giving Levels)

We have broken down our needs into tangible giving levels so you can see exactly how your donation makes a difference :

$100 – The Foundation Stone: Provides essential building materials (e.g., nails, screws, or concrete mix) for the initial framing.

$250 – The Classroom Corner: Sponsors a portion of the flooring or paint for one of our Quran learning classrooms.

$500 – The Prayer Rug: Furnishes a section of the prayer hall with high-quality carpeting for worshippers.

$3,000 – The Hifz Sponsor: Supports a student in the Hifz program.

$5,000 – The Brick & Mortar Benefactor: A major contribution toward the structural steel or masonry of the main facility.

The Urgency

Our community is growing, and the need for this space is immediate. We have already begun the initial phases of work, but we cannot complete this project without the collective support of our brothers and sisters. Whether you are local to Loganville or across the country, your support helps establish a permanent presence for Islam in this area.
